## Landscape Maintenance Survey - 2011

Attention Homeowners in The Woodlands!

Dear Homeowner,

We would like to provide you with a method for informing us of your special requests regarding the trimming of shrubbery on your individual property. We request that you take a little of your time to fill out the form below, keeping in mind we are offering this opportunity to help us adapt pruning services to your preferences.

Please CIRCLE the check mark(s) below that would apply to your residence.

✓ **ROUTINE** – All plants on my property should be pruned in a sound horticultural manner as needed to maintain balance, control size, and foster good plant health during regular January through April pruning cycles.

✓ **SEASONAL** – To schedule pruning in a sound horticultural manner to maintain balance, control size, and foster good plant health, please contact me and coordinate pruning these particular shrubs:

Specify plant species or location

Specify month for pruning

✓ Identify the ornamental plants or shrubs (by name or location) which are overgrown and which you want us to reduce in size, or to shape in a special manner:

✓ What shrubs, trees or flowers around your home would you like a quote for replacing?

Special Requests: (pet locations, personal plant beds, potted plants, flower beds, etc.)
